PROSPECTUS

CONTENT

FOUNDER'S MESSAGE

I am proud of the role Beaconhouse has played in setting new benchmarks in education over a period of four and a half decades. Today the Beaconhouse Group has over 315,000 full-time students in seven countries, making it one of the largest school networks in the region. Over the years, our schools have helped students become critical thinkers and problem solvers, equipping them with confidence to stand out from the crowd.

Establishing Concordia Colleges in 2014 is a testament to our resilience and our strength as a world-class education institution. We feel privileged to have played a role in the provision of quality education in this country and, equally, to have made significant progress towards the establishment of an international education brand that has its origin in Pakistan. We believe that education is the right of every child. We have therefore tried to reach out as far as we could by imparting distinctive and meaningful learning to as wide a cross section of society as possible – most visibly demonstrated, perhaps, by The Educators, our network of affordable associate schools.

As we continue to grow and evolve, each day brings with it new challenges and opportunities. I am delighted, therefore, to introduce our newest educational venture for those who seek to equip themselves to deal with the challenges of a rapidly modernising world. In this context, Concordia Colleges aim to offer world-class education, across the nation, which is both cost-effective and standardised. The Colleges are not only aiming at academic excellence but also nourishing intellectual and personal development across a range of extra and co-curricular domains.

Extracurricular activities are globally accepted as an added advantage for the grooming of students. They inculcate in students time management, team-building, and problem-solving skills. I am happy that Concordia students are very actively engaged in sports and extracurricular activities and have secured positions and medals in national level competitions.

In this knowledge-based age, education is undergoing rapid transformation. The emergence of increasingly affordable digital products such as smart phones, tablets, and e-readers is reshaping the way we think about teaching and learning. Concordia Colleges hopes to attract enterprising students and faculty who are prepared to lead a revolution in pedagogy and open up new windows of learning.

I invite you to join our community of learners and acquire the skills needed to stand proud and play a role in the future of Pakistan.

Nasreen Mahmud Kasuri

PROJECT MANAGING DIRECTOR

Prof. Hafiz M. Saleem Meo
Founder, The Next Generation (TNG)

Prof. Hafiz M. Saleem Meo is a visionary educationist whose mission has always been to go beyond traditional teaching and work for the holistic development of the next generation. In 2008, he founded The Next Generation (TNG) with a strong commitment to creating a platform that nurtures young minds and prepares them for the challenges of the modern world. His vision emphasizes developing students academically, morally, and ethically, enabling them to become honest, responsible, and self-disciplined individuals. At TNG, this philosophy is reflected in a learning environment that encourages integrity, creativity, and innovation, ensuring students acquire real-world skills, critical thinking, and confidence to excel both nationally and internationally.

Under his guidance, TNG has produced highly competent professionals including Technological Experts, Bureaucrats, PMS & CSS Officers, and specialists in fields such as Petroleum, Gas, and other key sectors. By combining vision with action, TNG continues to shape a generation that is honest, creative, globally competitive, and fully prepared to excel in every sphere of life.

Beaconhouse

GROUP PROFILE

One of the leading institutions of the country providing quality education of international standards from Pre-Nursery to A Level through more than 190 campuses across Pakistan.

Beaconhouse traces its history to Les Angles Montessori Academy (LMA), which began operations in Lahore in 1975 with a group of 19 toddlers. The educational philosophy of LMA is based on self-directed activity, hands-on learning and collaborative play.

The first franchise school in the world, imparting a standardised quality of education to over 200,000 students, through more than 900 campuses in over 225 cities across the nation, with tuition fee a fraction of that at Beaconhouse.

Students reach their full potential through the advanced curriculum, inspired teaching, personalised learning, and unwavering support at United Charter Schools. The educational environment is digitally empowered through INFINITY (Singapore-based Knowledge Platform), enabling students to use state-of-the-art, competitive, and experiential facilities to learn, excel, and explore infinite possibilities.

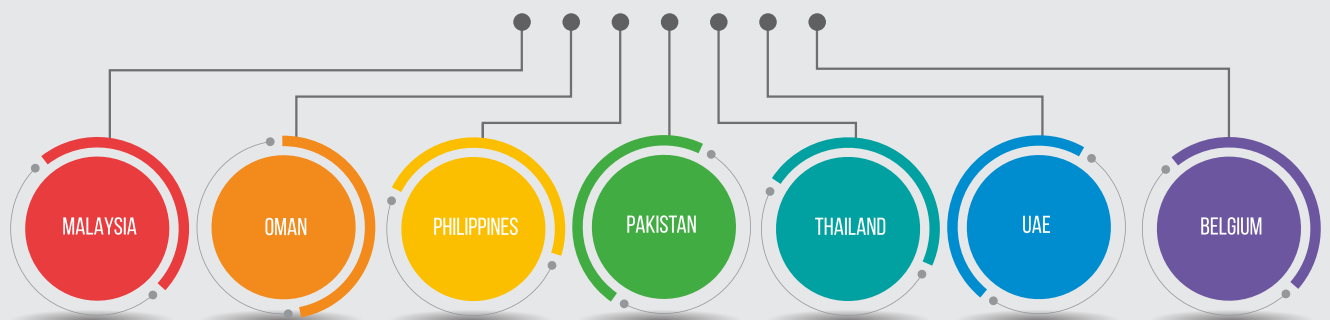

TNG (The Next Generation Creative Institute) is a forward-thinking organization dedicated to nurturing creativity, innovation, and modern skills among youth. We aim to empower the next generation through quality education, professional training, and opportunities for personal and professional growth, helping individuals become skilled, confident, and ready to face the challenges of the modern world.

OUTREACH

OUR GLOBAL NETWORK

WHAT IS CONCORDIA?

Concordia is the point of convergence between the Baltoro and Godwin-Austen glaciers deep within the Karakoram Mountain Range. 18 peaks with an elevation exceeding 5,000 metres are visible from the summit of Concordia, providing an awe-inspiring view of the breathtakingly beautiful landscape. Daring climbers often encounter Concordia on their journey as it serves as a base camp for perilous mountains like K-2, Broad Peak, and Gasherbrum.

As such, Concordia serves as a crucial stepping stone for those prepared to embrace the unknown. The same spirit holds true for Concordia Colleges and the educational careers our students experience. We not only equip students with the necessary tools for gaining admission into the most prestigious institutions for Engineering, Medicine, and more, both locally and abroad, we also individually nurture each student to maximise their potential as they continuously expand their horizons.

VISION

To provide a nurturing academic environment where students are transformed into creative, confident, and socially responsible adults who are ready to take on life challenges.

MISSION

Concordia Colleges, under the umbrella of the Beaconhouse Group, offers quality education, which is comprehensive and inclusive of our core values and aims to build a high performance environment with prime focus on innovative, life, and problem solving skills.

OUR CORE VALUES

Concordia's core values help foster connection and trust between students and teachers. These values will serve as guiding principles:

CREATIVITY

Concordia has always been creative and transformational with exploring new approaches. Analytical skills refer to the ability to collect and analyse information. We, at Concordia, emphasise on problem-solving and decision making. We facilitate student to use analytical skills when detecting patterns, brainstorming, observing, interpreting data, and making decisions based on the multiple factors and options available to them. We encourage and appreciate rational thinking and reasoning through scientific research procedures.

SOCIAL RESPONSIBILITY

Social responsibility is the result of learning strategies. This indicates that active learning is inherent to citizenship education of students and teachers. It is important for developing the knowledge, skills, and confidence to enable students to make their own decisions and take responsibility for their own lives and communities.

INTEGRITY

At Concordia, we are dedicated to provide an educational approach to academic integrity, recognising the importance of assisting students in developing and demonstrating academic skills. It involves adhering to ethical standards in all aspects of academic work. It involves acting in accordance with the principles of honesty, fairness, trust, and responsibility.

DIVERSITY

Diversity is power. We believe our differences are our strengths. Embedding inclusion makes our students from all backgrounds feel respected, supported, and valued. Diversity and inclusion offer possibilities for students to bring their passion and talent and be a part of a dynamic, intellectual community built on mutual respect.

EMPATHY

Empathy is at the heart of our learning and all we do. We build empathy by creating open communication, getting out of our normal environment where biases are challenged via team building, and improved self-awareness. For students who think and learn differently, it's extremely important that they understand one another's perspective to feel understood and supported.

OUR CORE TEAM

GROUP DIRECTOR

CONCORDIA COLLEGES & THE EDUCATORS

Mr. Ali Raza holds a Bachelor's degree in Engineering and a Master's degree in Environmental Sciences. He has a vast experience spanning over 28 years of working in the public, private, and NGO sectors. He has been associated with Beaconhouse School System for more than 14 years, in various capacities including Regional Director (Central Region and Southeast Asia) and Project Director for The Educators. Mr. Ali Raza also had the honour of serving the Prime Minister of Pakistan as the Advisor on the Education Reform Programme in 2016 to 2018. With his hands-on skills and first-hand experience in the development sector, Mr. Ali Raza is determined to set new opportunities and horizons for the youth of Pakistan.

ASSISTANT PROJECT DIRECTOR

Mr. Ali Butt, Assistant Project Director of Concordia Colleges, combines over 16 years of corporate experience with a Master's degree in Business Administration to unlock the full potential of projects and accomplish several developmental milestones. He applies his uniquely diverse and innovative approach to management and execution across the domains of Business Development, Project Management, and Operations to facilitate success.

Presently, Mr. Ali Butt utilises his result-oriented approach and across the board understanding of the education sector in Pakistan to proudly lead countrywide operations for Concordia Colleges.

DEAN ACADEMICS

Dr. Tahir Abbas holds a PhD in Physics from Moscow University. During his stay in Russia, he learnt Russian and thoroughly studied the education system of Russia. He is a seasoned professional, commanding an excellent expertise across the domains of academics, research, and administration. He served as a Physics Professor at the University of Punjab, Bahauddin Zakriya University and University of Siegen. During his academic career he has collaborated with various universities in Pakistan, Germany, Russia, and more. He has conducted pivotal research while working with the International Centre for Theoretical Physics in Italy, University of Bochum in Germany and Colorado State in the US.

He has been associated with the Beaconhouse Group as Dean of Academics for Concordia Colleges for over seven years. He is responsible for all academic and related activities across the vast network of Concordia Colleges. From appointment and training of teachers, to managing classrooms and providing a platform for holistic development through extra-curricular activities, Dr. Tahir Abbas is an invaluable asset for Concordia Colleges.

WHAT SETS US APART

Students of Concordia Colleges acquire critical thinking, reasoning, and investigation skills, which sets them apart from students of other colleges that rely solely on rote-learning. Our syllabus and coursework are kept up-to-date with complete course content captured and recorded in educational video lessons. The very atmosphere that defines Concordia Colleges enhances creativity, confidence, and self-discovery. Concordia Students will not only be able to make the right choices for their future careers, they will also be inspirational for others by contributing to society. Concordia's competitive advantage is difficult to replicate as it focuses on new concepts to promote fluency in visual, oral, and written communication amongst the students.

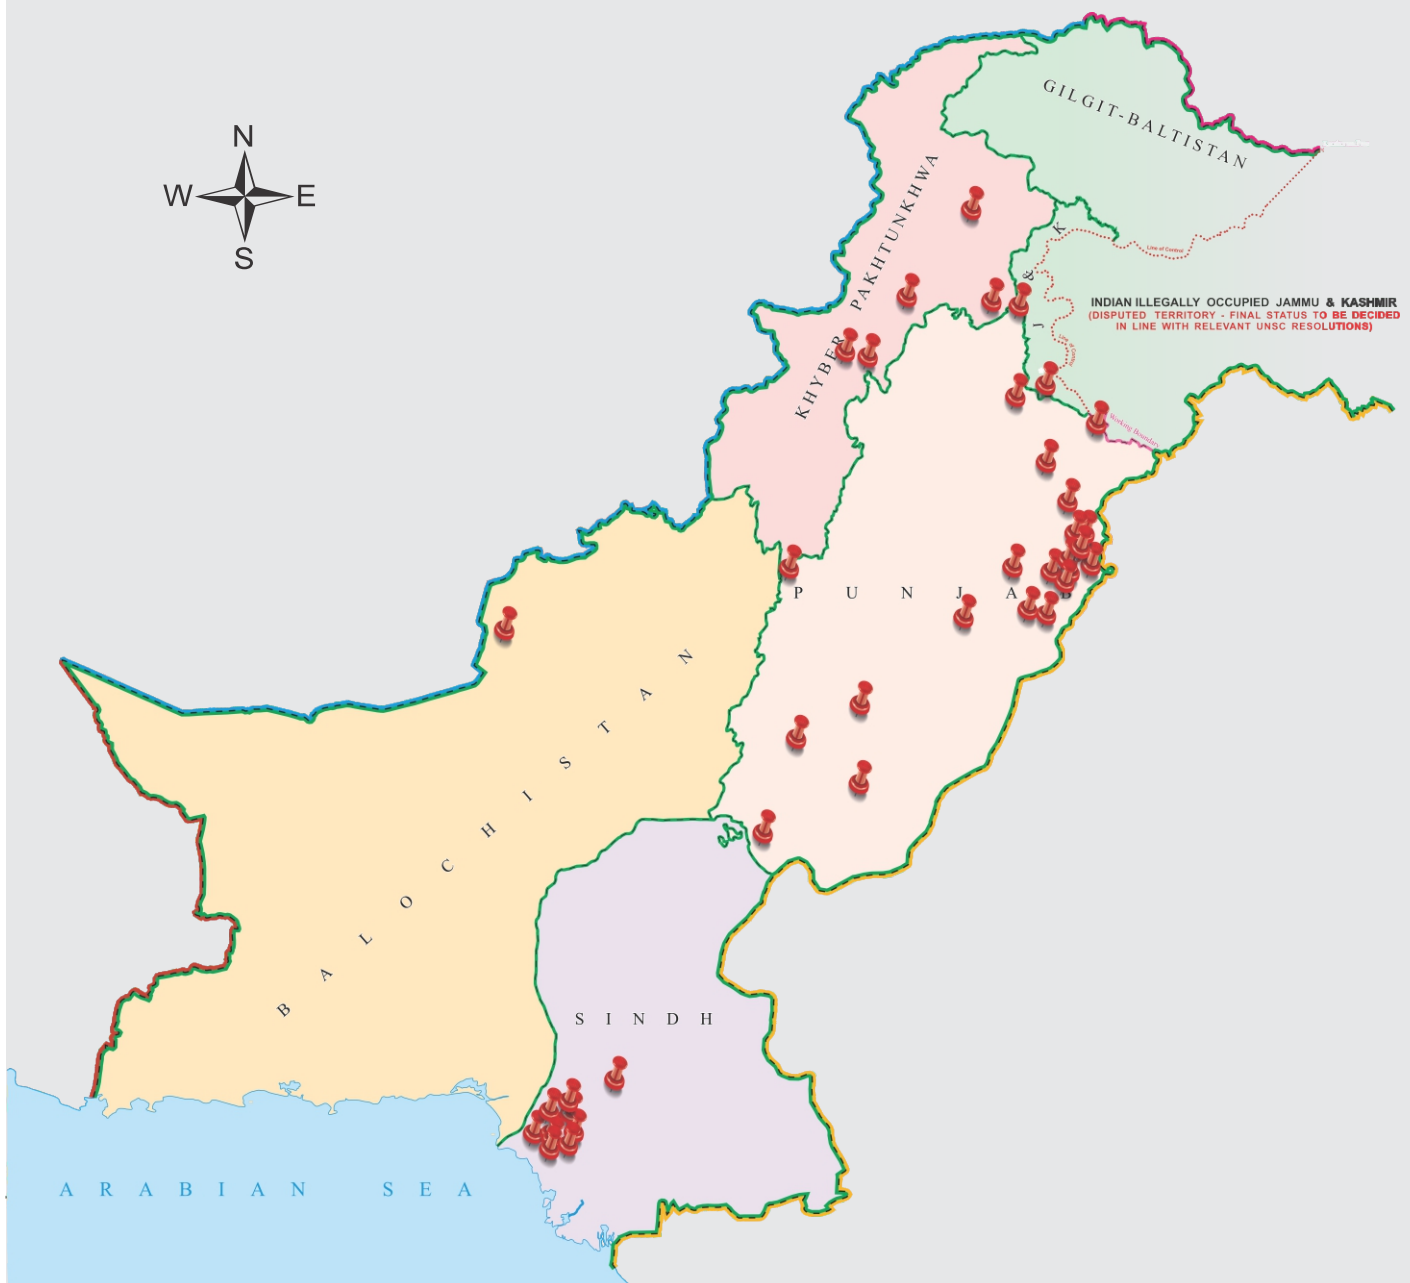

Some additional features of our educational model include:

- Centralised curricular and co-curricular activities to give equal opportunities to all students at our campuses
- Regular online quizzes through our LMS to assess students in their courses and expose them to recent developments in technology
- Comprehensive revision and test sessions are arranged on a regular basis to ensure students do well in their respective Board Examinations without seeking additional help
- Regular training sessions for Concordia teachers and trainers so that they can efficiently monitor students' personality development and academic growth
- Health and education insurance plans to offer peace of mind to students and their families in case of any emergency situation

OUR STRENGTH

With the confirmation of Kahror Pacca, Karachi, Quetta, Charsadda, DI Khan, Margalla, Peshawar, Dhamial, Swabi, Kallar Seydan, Mardan, Swat, and multiple other locations across Pakistan, Concordia Colleges continues to expand its reach, becoming the first college network to reach all four provinces of Pakistan. It is with great pride that we are announcing the opening of multiple new campuses, set to help us grow into an interconnected system of 70+ campuses in over 30+ cities just by the end of 2026.

ACADEMIC PROGRAMMES

Concordia Colleges offers a combination of academic programmes in the Arts, Social Sciences, and Sciences.

Concordia Colleges is affiliated with various prestigious universities on a national level.

INTERMEDIATE PROGRAMMES

Students may choose from the following programmes:

- **PRE-MEDICAL (F.Sc)**
- **PRE-ENGINEERING (F.Sc)**
- **COMPUTER SCIENCES (ICS)**
- **HUMANITIES (F.A)**
- **GENERAL SCIENCE**

UNDERGRADUATE DEGREE PROGRAMS

Students may choose from the following programmes:

Associate Degree Programmes (ADP)

- ADP Chemistry
- ADP Zoology
- ADP IT (Information Technology)
- ADP Computer Science
- ADP English

Bachelor of Sciences (BS)

- BS(Hons) Chemistry
- BS(Hons) Zoology
- BS(Hons) IT (Information Technology)
- BS(Hons) Computer Science
- BS(Hons) English

ADMISSION POLICY

ADMISSION PROCEDURE FOR INTERMEDIATE PROGRAMME:

Candidates who have appeared in Matriculation or O Level examinations are eligible for admission in the first year. They will be allowed to register for pre-classes and admissions.

Admissions are strictly based on merit. A minimum of 45% marks (Second Division) in Matriculation examinations or its equivalence for the O Level is required. The age requirement is 18 years or below. Admission dates are subject to declaration of board results for Matriculation examinations and will be advertised in leading newspapers.

After the declaration of the result by the board, formal registration will require the following documents:

- Two Photographs
- Result Card
- School Leaving Certificate
- NOC (Only For Migrating Students)
- Equivalence Certificate (For O Level Students)

ADMISSION PROCEDURE FOR UNDERGRADUATE DEGREE PROGRAMME:

Candidates who have appeared in Intermediate or A Level examinations are eligible for undergraduate degree programme admission.

Admissions are strictly based on merit. A minimum of 45% marks (Second Division) in Matriculation/Intermediate examinations or its equivalence for the O/A Level is required. The age requirement is 20 years or below. Admission dates are subject to declaration of Board results for Intermediate/A level examinations and will be advertised in leading newspapers.

After the declaration of the result by the board, formal registration will require the following documents:

- Two Photographs
- Matric/O-level, Inter/A level Result Card
- Previous Institution Leaving Certificate
- NOC (Only For Migrating Students)
- Equivalence Certificate (For O/A Level Students)

SCHOLARSHIP PROCEDURE:

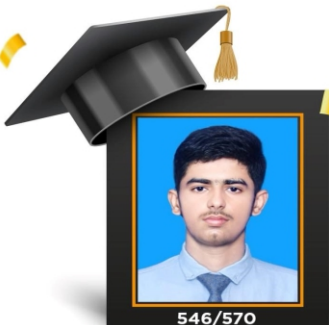

In recognition of students' talent and performance, and to support outstanding scholars, Concordia Colleges offers a range of scholarships to our students:

- Incentives for high achievers in First Year and Second Year
- Merit and Need-Based Scholarships
- Kinship Scholarships
- 50% Scholarship for Beaconhouse and The Educators students

AYBA TARIQ
Roll No. 700312

ASSESSMENT & EXAMINATION

Concordia Colleges has developed a sound assessment & examination mechanism for students which is monitored and executed through experienced and dedicated subject specialists. The assessment & examination team provides expert support on all the elements that are required for preparing students to get maximum marks in the board examination.

These assessments not only prepare students for board examination but also depict the overall understanding and knowledge of students. The performance of students is closely monitored and customised academic support is provided to them based on the identified areas of improvement. Our testing system, consists of monthly tests, send-up exams, and an extensive revision & test session, which ensures thorough preparation and precise evaluation.

TEACHING AND LEARNING METHODOLOGY

BLENDED LEARNING APPROACH

As technology continues to rapidly evolve in the world, we believe our students can utilise it to their advantage in and beyond the classroom. The Blended Learning Approach is a combination of face-to-face interaction complemented with computer-based activities during lectures leading to an enhanced audio-visual learning experience. Using this approach, students are provided with multimedia-rich and interactive content on demand, any time of the day, seven days a week. Concordia Colleges believes that Blended Learning is an essential component for a complete learning system. Key features of the Blended Learning Approach are as follows:

- Full provision of module-related documents in electronic format, including lesson videos
- Highly interactive and supportive classroom sessions
- Opportunities for students to learn collaboratively in groups
- Regular formative assessment with feedback
- Personal development planning

LEARNING MANAGEMENT SYSTEM

The Learning Management System (LMS) is one of the most important features of our educational model that distinguishes us from other institutions. This system provides students with lesson videos and course content. In addition to this, online quizzes provide students with a number of opportunities to think beyond the curriculum and to broaden their horizons. Students from all our campuses participate in these quizzes and learn through healthy competition with their peers. Student feedback on the LMS allows them the freedom to communicate and share their ideas and thoughts. In this way, Concordia provides a standardised educational model across its different campuses.

TEACHERS TRAINING PROGRAMME

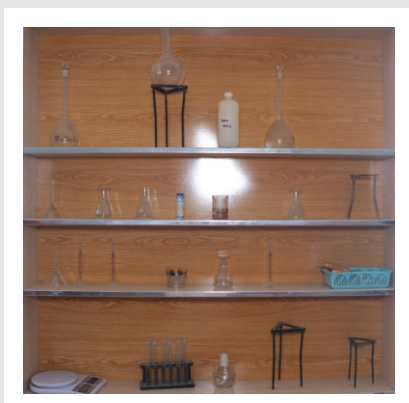

Concordia Colleges strongly believes that teachers are an invaluable and integral part of the education system. A great teacher is crucial to a student's development and growth. Concordia Colleges conducts frequent trainings to promote effective teaching skills, masterful knowledge, improved language proficiency, and more. All with the aim to improve the quality of learning for students.

Upgrading capabilities and knowledge of the teachers is required to improve the standard of education in any institution. Concordia Colleges arranges trainings for teachers by the academic Department at the Head Office, where trainers are from well reputed institutions like Government College and The Punjab University. The training consists of general teaching methodologies, subject-specific training, board paper setting, and paper marking techniques. This enables our teachers to perform well in the classroom and students to prepare for the board examinations.

STATE OF THE ART FACILITIES

Our campuses serve as an open door for students to discover the modern applications of all disciplines as collaboratively taught across air-conditioned and well-equipped classrooms. Our standout features include overhead projectors, LEDs, computer labs with high-speed internet connectivity, and science labs which are designed specifically for integrating teaching and practical applications for students to maximise their potential.

PARENTS ON BOARD

In order to ensure good academic results, institutions should keep all channels of communication and coordination open to all stakeholders. With this aim Concordia Colleges arranges Parent Teacher Meetings after monthly tests and shares the result of students with their parents. These meetings have proved to be very useful because they keep parents updated about their child's progress. In light of mutual feedback, the parents get a chance to make the required efforts to help their child achieve the best possible result in the BISE examinations.

HIGH ACHIEVER'S CEREMONY

Time and time again, Concordia Colleges has given students a platform to maximise their potential. The various educational resources, talented faculty members, and online provisions have all played an undeniable role in nurturing students into achievement-oriented performers. Students were commended for their exemplary academic success.

CO-CURRICULAR ACTIVITIES

DRAMATICS

This activity influences and encourages students from all walks of life, who come together to promote theatre and art. The purpose of this activity is to provide individuals with a platform to express themselves, pursue new theatrical endeavours, experience innovative opportunities, and give back to society in the form of art.

FOUNDING FATHERS' DAY

To nurture an enduring spirit of nationalism, patriotism, and devotion to the nation, Concordia Colleges always commemorates the country's founding fathers. We especially celebrate Pakistan Day, Independence Day, Quaid-e-Azam Day, and Iqbal Day.

ASSEMBLY TIME

Every country celebrates days that reflect the significance of their religion. Concordia Colleges encourages its students' to celebrate important days of Islam every year according to the academic calendar with religious fervour and enthusiasm. Events such as Quran Khwani, speeches for the remembrance of Moharram, Qirat and Naat Competition, and Milaad on Eid-e-Milad-un-Nabi (PBUH) are held at each campus.

MANGO PARTY

Concordia Colleges follows traditions of welcoming new students and sending off graduating students every year in order to provide an encouraging environment. This year, welcome and farewell parties were arranged for new and old students. These parties are arranged at prestigious venues such as the Pearl Continental Hotel and Flatties Hotel in Lahore. Similar venues are selected across Islamabad, Kasur, Faisalabad, Gujranwala, and other cities.

This event provides a platform and opportunity for students to meet faculty members, seniors, and officials from the Head Office. All the participants enjoy the event and dinner together.

EDUCATIONAL AND INFORMATIVE TOURS

Concordia Colleges organises short and long trips for students. Visiting places of historical and geographical significance to help students broaden their world view. Students learn about the history of different civilisations, lifestyles of people, and atmospheres of different locations. They also learn the advantages of living together, as such, these recreational tours refresh students and prepare them for future success.

CONCORIDA TALENT CONTEST (CTC)

Concordia Colleges campuses across Pakistan regularly organise Emerging Talent Contests throughout the year. This year, Kasur Campus successfully organised an Emerging Talent Contest. Over 1,049 students participated in the event and competed against each other for the top place!

ENVIRONMENTAL PROTECTION CAMPAIGN

The environment plays a crucial role in healthy living and the existence of life on planet Earth. The Tree Plantation Campaign 'One Tree One Life' was initiated at the E-Library of Gaddafi Stadium in Lahore. The purpose of this campaign was to help the government in the national cause of making Pakistan greener and cleaner for future generations.

INTER-COLLEGE DEBATES COMPETITION

Concordia Colleges organised a regional debates competition where 150+ students participated from more than 20 cities! The best speakers of the competition were celebrated for their exceptional debating ability and were chosen to represent their campuses on a national-level.

46 of the best debaters from the regional competition competed in a battle of words during the national final as they confidently and respectfully engaged in thoughtful debate. Concordia Colleges Faisalabad Campus outmatched the competition and secured 1st place and a number of other participants won awards across humorous and serious in both Urdu and English.

SPORTS SOCIETY

WON 674 MEDALS IN PUNJAB OLYMPIC SPORTS

BISE GAMES

Our talented and hardworking students secured gold, silver, and bronze medals at the BISE Games Competition, 2022. Boys participated and won in cycling, cross country, gymnastics, karate, athletics, table tennis, squash, wrestling, and weightlifting. Boys and girls were awarded the 'best athlete' award in addition to various gold, silver, and bronze medals in athletics and table tennis.

BISE GAMES COMPETITION 2022

Concordia Colleges won 9 positions in the following fields:

1st positions: Cycling, Cross Country, Athletics

2nd position: Gymnastic

3rd positions: Athletics, Squash, Wrestling, Table Tennis

CRICKET WITH CONCORDIA

At Concordia Colleges, we believe an educational experience is incomplete without extra-curricular activities. Our annual tape ball cricket tournament was a small step on the journey of empowering our students through holistic development! The matches ignited the passion of students and encouraged a healthy level of competition between teams. Join us and celebrate Kasur Campus winning first place, Shahdara Campus coming second, and Faisalabad Campus in third!

ANNUAL PARTY

The Music society unites students on different types of music, including classical, folk, eastern, western, and modern. Different concerts and music competitions are regularly held at Concordia Colleges to encourage students to love music and potentially pursue it as a career.

CODE OF CONDUCT

For enrolment, the College administration requires students to abide by College rules and regulations:

Students should uphold the honour and dignity of the College, as well as their self-respect. A breach of the Code of Conduct shall entail disciplinary action. Students are strictly advised to avoid matters that lead to the submission of fines such as misconduct, uninformed absence, non-payment of college dues, etc.

Students are required to wear their college uniform when they are on campus:

- Boys' Uniform - Khaki trousers, white shirt, striped tie, black belt, black shoes, and socks.
- Girls' Uniform - Khaki shirt with a white coat collar, white shalwar, striped dupatta, and black shoes.

Students must properly display their College Identity Cards. Failure to comply can lead to a fine, disciplinary action, and subsequent dismissal after the repeated offense.

EMPOWERING STUDENTS

At Concordia, we encourage our students to study hard, be imaginative, and develop new skills. They are also required to complete assignments on time and each student is asked to contribute to discussion groups through our Interactive Model Education (IME). Students also give presentations or write short papers on allocated topics. Teachers are advised to mark the student's test papers at their earliest time. Tutorials and colloquiums are also arranged on topics announced well in advance. Students are encouraged to express their ideas and opinions and to understand various perspectives.
